HP: High Wind Parasails, MP: Medium Wind Parasail, LP: Low Wind Parasail.

All HP's and MP's come with Air Management Zippers (A/M), other sizes they can added.

Wind speed and weight in Kph and Kg

All ranges of our parasails are marked with a maximum windspeed for the A/M zippers open or closed. When operating in gusty wind conditions do not exceed more than 15% above the stated maximum windspeed for that parasail size and configuration during gust.
